

Stone Soup/Wee Willie Winkie

January 20, 2012

The morning of January 20, 2012, was a busy one for the children at EOC Tech, CDC. In recognition of our Fairy Tale/Nursery Rhyme unit, the children celebrated Wee Willie Winkie by wearing PJ's to school.

They also reenacted the story of Stone Soup. First Mrs. Collier read the story of Stone Soup to the combined groups. The children then began preparing the stone soup—beginning with the stone. The soup was eaten with lunch. The children each brought cans of vegetables and other ingredients to be added to the "stone" in our soup pot. The children eat more soup this day than any other day as Stone Soup holds a special significance to them. Owen, one of our preschoolers, liked it so well that he ate three full bowls of stone soup.

There was not space available for all the pictures taken this morning, so please stop by Mrs. Erbin's desk to view the photos.
