

# Updates

February 8, 2010

Because of the unpredictable weather, we are rescheduling our Parent Meeting that was to be tonight. We are rescheduling it for Monday, March 1, 6-7 p.m. We did not want families either concerned about missing the speaker or out on bad roads.

Also, after the newsletter went to printing, two more items came about that need to be announced. **First**, Center T-Shirt day for this month will be Tuesday, February 16. Please remember to either send your child in their Center T-shirt or a plain black T-shirt.

**Second**, Friday, February 12, Dr. Tracy Gasbarra, Michael and Gabriella's mother, will be here to speak to the children about good dental health. She plans to be here to speak right after breakfast. We are so fortunate to have parents willing to spend time with our children!

Reminder: Our Friendship party is Friday, February 12, 2 p.m. Please have friendship gifts here by Thursday.
