**EOC TECH STUDENTS BRAVE COLD TEMPS
TO PARTICIPATE IN CHOCTAW CHRISTMAS PARADE**

(CHOCTAW, Oklahoma) Saturday, December 5, Eastern Oklahoma County Technology Center students rode on the brand new float which was constructed by students in a combination of trades under the direction of Steve Bullinger, Construction Trades Instructor and Jennifer Burch, Explore Instructor. Students representing various programs waved to the crowd aboard the holiday float, "EOC Catches the Choctaw Express".

The annual Christmas parade has numerous organizations, schools, businesses and people participate. Bands, floats, and pageant queens were amidst horse groups, square dancers, and antique vehicles.

For more information regarding student organizations or for a complete listing of course offerings, scholarships, and services available at EOC Tech, visit our website at eoctech.org or call (405) 390-9591.
